*Viscerally inspired, combined with a gnawing hunger to “push paint,” creating rivers of color, a visual feast, while finding ways to weave a story in oils. My work became not only oxygen for my soul but also a connection to my internal landscape and the visitors of my dreams. The work itself becomes a portal for dialogue.*

**Dark Night of the Soul** – 48”X36”, oil on canvas, 2007

**Metamorphosis of Death V-VIII**
